Central New Mexico Section

OUTREACH

challenge

SWE-CNM has endowed 4 annual scholarships to date.

Please consider a tax-deductible donation to help us increase the number of scholarships available to young women in New Mexico.

How do I donate my \$25 buy out to the scholarship fund?

Contact:

Anna Tauke-Pedretti
atauke@gmail.com

Or

Annie Dallman
ardallm@gmail.com

or send your contribution directly to

P.O Box 13678
Albuquerque, NM 87192-3678

Team up!

Grab your favorite SWE-ster and complete the challenge together!

Let us know when you've completed the challenge on facebook or by email!
swe.cnm@gmail.com

We challenge every SWE-CNM member to volunteer 2 hours of your time to a worthy cause between January and April or donate \$25 to the Endowed Scholarship Fund! Don't worry, we have a lot of leads on great opportunities for you to give back.

Expanding Your Horizons

Feb
7

Workshop Presenters & Support Volunteers Expanding Your Horizons (EYH) engages middle school girls from all backgrounds in STEM (science, technology, engineering and math). SWE needs volunteers for our workshops for the Albuquerque conference to be held on February 7, 2015. For more information contact Michaela Rempkowski (rempkowskimm@cdmsmith.com).

Discover Stem Outreach Volunteers

Feb
7

Need volunteers to help work a hands-on learning activity Saturday February 7th from 9 - 12 or 12 - 3 at the Nuclear Science and History Museum. Contact Ericka ericka.amborn@swe.org.

Science Fair Judges Science and Engineering Research Challenge

Mar
13

Friday March 13, 2015 - 12 - 4 pm. SWE members judge projects and select 2 that show excellence in an engineering or applied topic; each student receives a \$100 award. Contact Anita Reiser for more information. asreise@sandia.gov

Apr
8

April 8, 2015 (prek-3rd grade) April 15, 2015 (4-5th grade) Contact Stephanie Dobbie sdobbie@manzanodayschool.org.

MATHCOUNTS

Feb
14

Scorers Needed Mathcounts needs scorers for both the regional and state competitions. Contact Shellie swinsemius@yahoo.com

STEM Career Speakers

Many programs from around the city need women to come give energetic talks about their careers in STEM fields. If interested, contact the following:

- ◆ Mesa Club @ Amy Biehl Katie Barnett-Rivas at kbarnett@abhs.k12.nm.us
- ◆ YWCA TechGYRLS More information at www.ywca-nm.org/techgyrls.aspx.

Future City Competition

Jan
24

Judges needed New Mexico middle school students will explore today's urban agriculture and develop a futuristic solution to growing crops within the city confines. Regional Finals on Saturday, January 24, 2014, at the Nuclear Science & History museum. Contact Yifeng Wang futurecitynm@comcast.net

Mentor 2.0

New program started by Big Brothers Big Sisters to make volunteering easier for the working professional. The program is for high school kids and you connect with them on a one e-mail a week basis with one in-person meeting a month at their high school. More information at <http://www.bbbs-cnm.org/>

Together SWE Can! *Aspire! Advance! Achieve!*
